LA COQUE

DESCRIPTION

La Coque is a place of innovation and events committed for more than five years to companies, start-ups and local authorities, in France and abroad.

Our various tools and services (showroom, events, TV set, virtual lounge, Klaxoon brainstorming tool, fibre optic broadband internet, digital flip charts, etc.) contribute to the digitalisation of our clients' events, promoting the development of their activities through innovation.

We offer fully digitalized and flexible spaces, high-tech equipment, a virtual platform and a video studio to organize our clients' events, either remotely or in hybrid format.
